## DEAR INTERNATIONAL FRIENDS

On this festive occasion it is a great joy to be able to invite you to join the celebration of the carter of the first Agora Club in Norway on May 25th in Sandnes. The city of Sandnes is our "hometown" - and the Airport is Stavanger Lufthavn Sola just 20 minutes away.

It is with great enthusiasm we have prepared a fun and interesting programme for our arriving guests. We are looking forward to welcoming you to Norway.

## Accommodation

When making inquiries regarding offering hotel accommodation to fixed and/or reduced prices, there were hardly any of the hotels in city center of Sandnes that would give us that. We were offered rooms to a much higher rate than you can get when booking directly at their web-site.

The only hotel we have got set prices from where GAMLAVÆRKET HOTEL ([www.gamlavaerket.no](http://www.gamlavaerket.no)), an hotel with atmosphere, located in the center of the city (you will find that one listed on the registration form – unfortunately it's only available from Friday 24th, and limited no. of rooms available for reservation).

Please find below a list of hotel's in the city center and close by. These you can book directly and get better prices (than we were offered), and available on your preferred arrival date:

HOTEL SVERRE	(city center) <a href="http://www.hotel-sverre.no">www.hotel-sverre.no</a>
QUALITY HOTEL RESIDENCE	(city center) <a href="http://www.nordicchoicehotels.no/Quality/Quality-Hotel-Residence/">www.nordicchoicehotels.no/Quality/Quality-Hotel-Residence/</a>
SMARTHOTEL FORUS, SANDNES	(outer skirts of city, located by the districts biggest shopping center – Kvadrat) and probably the hotel with the best price <a href="http://www.hotels.com/Smarthotel-Forus">www.hotels.com/Smarthotel-Forus</a>
KRONEN GAARD HOTEL	(outer skirts of city) <a href="http://www.kronen-gaard.no">www.kronen-gaard.no</a>
HOME HOSTING	is an alternative as well.
