*Dear Ladies,*

*This is officially the month of LOVE !!!*

*Enjoy with your partners, family and friends!*

*Preparations for the Charter of USA are going very well and we are all excited to be able to welcome a new country on board, from next month.*

*Sadly though, Poland has decided to postpone their charter for a little while.*

*They don't feel that they are quite ready yet so -We will keep sending positive energies to them and lots of support....*

*Just to let you all know that I am thinking of you and to also let you know that I am glad that I have you all in my life.*

*Much love*

*Nikkie*

Dear friends,

In this lovely and quiet month of love, with the coldest days behind us and a whiff of spring in the air, it is good to reflect on what we planned for the new year....and make these plans come true.

One of the plans of Agora Club International is the support to our worthy international service project : ECPAT. (info on our website or on [www.ecpat.net](http://www.ecpat.net))

As mothers, women and members of Agora and Tangent we can help end child prostitution, child pornography and trafficking.

**Even the smallest contribution can make a difference!**

Please try to organise one or other event to raise money for this cause....child abuse is closer around us than we want to believe!

You can transfer to the ACI account, we will make sure it comes into the right hands

# TALES FROM THE JUNGLE

## Nikkie's tale

We had a very nice February meeting this month, on 5<sup>th</sup> February, and had 2 new ladies who are interested in Agora, join us for the meeting.

We usually meet at a coffee shop at noon, but this time we changed and met at our Secretary, Taryn's house because after the meeting and a light lunch we all watched the movie Agora! A very enjoyable afternoon.

Next month we are planning to go to a country market for our meeting.(and some shopping!)

Sadly at the end of January we had to say goodbye to one of our members – she had gone to live near Cape Town. We will miss you Bev!!  
Love

Nikkie

## Veerle and Nicole's tale

Every year we go on a family skiing holiday. This year we went to Crans Montana in Switzerland – which is very close to Nicole's home.

My husband Dirk and I met for a delicious "raclette" (typical melted cheese dish) with Nicole and husband Jean Marc. A wonderful evening!

Say "cheese" in Agora International!!

### Marlene Dietrich & Prawns 2011

Our club saw wonderful photographs of the world-famous „Diva forever“ or „Femme fatale“ done by the well known photographer M. H. Greene; organized by our „culture lady“ Gisela. >>> Following the exhibition we enjoyed different sorts of prawns up to our total fill, offered only on Wednesdays in winter months in a restaurant nearby. Imagine that we all had some cheerful hours „together in friendship“.

# Daniëlle's tale

Selling cookies for a good cause !

Daniëlle and the members of her Agora Club Roeselare 6 in Belgium have been selling boxes and boxes of delicious cookies for a good local cause namely supporting mentally retarded children and adults at the "Engelbewaarder" in Aartrijke.

During the months of December and January all our members have been working hard to sell as much as possible.

Luckily during the period of Christmas a box of cookies was a nice gift for the Christmas tree or as New Years gift. And by the way they were just delicious ...once you've taste them you just want more of it !

We were very proud to be able to give our first cheque to the representatives of this nursing home.

Daniëlle
