BOARD and ASSISTANTS

Dear friends from Agora Club International,
first and foremost, I'd like to express my heartfelt gratitude for electing me as your ACI President 2023-24.

A special thank you goes out to Agora Romania for the wonderful ACI Conference in Brasov, brimming with hospitality and warmth.

My or better our motto for 2023-24 „Move It!” reflects our commitment to progress and change. It combines the fiery spirit of red chili, a nod to my Hungarian roots, with the ginkgo leaf, symbolizing our beloved Agora Club.

Today, I'm delighted to present my goals and introduce you to my dedicated team, who will #move_it with me!

CONGRATULATIONS

International Growth

We aim to expand ACI's presence in as many countries as possible, both on a global and local level.

A big congratulations to AC Morocco and AC France for chartering new clubs in October 2023!

I personally attended the HYM of Club 41 and TCI in Cyprus on that weekend but in my thoughts I was celebrating with you!

Even though our weekend was overshadowed by the devastating news from the Middle East and I think I speak for all of us when I say that we feel with all people despite their religious or political background who are affected on a personal level, especially our friends from Israel, but of course also the people in Gaza.

AIMS & CONTENT

Strengthening Bonds

We are determined to foster close ties with Ladies Circle and the other members of the Round Table Family. Together, we share the vision of "5 clubs, one vision", which we did in Cyprus. Our focus is to deepen friendships within the five clubs of the Round Table Family. We aim to bring ACI and Tangent closer together.

AGORA CLUB WORLD (ACW)

We'll highlight the Agora Club WORLD (ACW) as a joint communication tool to connect Agora members and the Round Table Family. Please activate the cross-family button in your personal settings for successful #sidebyside networking.

You will also find the ACI booklet with contact details to the national boards in the ACW. Nina plans to offer more ACW workshops soon. In our upcoming newsletters Ulrike and Sandra will include links to reports in the ACW.

Feel free to contribute by sending your articles and photos of international interest to Nina, our ACW board assistant.

Popularize and Promote Agora

It's essential that we make Agora more visible and understandable, especially among women and the wider public.

Our Social Media Assistant Sandra encourages you to open national fanpages on Social Media, to appoint a Social Media assistant on national level, to make all your good work more visible on Facebook and Instagram, to take part in Social Media Challenges (e.g. Pink October, MoVember, ACI Day, ...) and to show our logo wherever possible.

Please follow our official Instagram page and feel free to share/ like/ comment.

AIMS & CONTENT

Social Media

Sandra plans a Social Media workshop for those you would like to participate on a local or national level.

For Q & A, Social Media challenges etc. there is also a WhatsApp Group for those who manage the SoMe Accounts of your country – please do not hesitate to contact Sandra.

Unity Across Borders

I encourage all of you to participate in events hosted by the #5clubs1vision Family. Let's show our presence and unity. Moreover, we'll work on harmonizing and aligning the meeting calendars of the five clubs at least on the board level.

You can see **lots of events in the ACW** and Rosa will update them on our webside.
