

20. GUIDELINES ON HOME HOSTING THE ACI BM

The Agora Club International consists of 5 persons, the President, Vice, Immediate Past President, Secretary and Treasurer.

1. Accommodation

It is ideal to have all the Board members staying in the same home, in shared bedrooms with another Board member. Therefore a minimum of two bedrooms would be needed. The home hosting could be in more than one home but its best if they are close to each other.

2. Meetings

A room where the Board can meet throughout the week for eg. The dining area.

3. Office Back Up

A printer/photocopier and paper could be needed, although it is envisaged that the Board becomes green and use the minimum paper possible.

4. Transport

The hostess may need assistance from other Agora ladies to help out with the car movements during the stay of the Board.

5. Food/Drink

It is appreciated if the hostess would have available a light breakfast and light lunch. Dinner could be a relaxed affair at home or at a restaurant.

6. Financial Compensation

An amount of €75 per day is given to the hostess to help alleviate the financial burden of hosting the Board. Should the Board be taken out to a restaurant, the amount of €75 from the total bill will be paid by the hostess which is covered by the allowance.
