## HISTORY OF AGORA CLUB INTERNATIONAL

In 1987 a group of former members of Ladies' Circle created the first Agora club in Lille, France. In 1988 the French National Board was founded. In 1993 the first club in the Netherlands started, followed by Agora Club Belgium the year after. In June 1996, the first Annual International Council took place in Strasbourg, France.

In honour of the founding country, the French motto was adopted as the official international motto: **“Donner et Tolérer”**, which means “Service and Tolerance” in English.

The strength of Agora Club was the fact, that from the beginning it was a past-Circle service club, which was moreover also open to non-Past-Circle friends and women from diverse horizons. The fact that it offered an international platform to its members, thus ensuring continuation of friendships made in Ladies'Circle, proved to be very important to our members, too.

In 2009 Agora Club opened up to Tangent Club, and welcomed Tangent Club Germany as an Agora member country in the same year.

Today **Agora Club International** has clubs in Austria, Belgium, Botswana, France, Germany, Iceland, Israel, Italy, Madagascar, Malta, Morocco, Norway, Romania, South Africa, Switzerland, The Netherlands, UK, USA, Zambia, Zimbabwe , Luxembourg and Nepal being chartered in 2020.

A pretty and colourful pin has been made from this logo. It costs 5€ p/p and can be ordered from ACI President Chris Helsen or from any other ACI Board member. Just give us a call or email, and we will send your order to you. The surplus from the sales of this pin goes entirely our Emergency Fund.

ACI SERVICE PROJECT 2019-2021  
**#KeepAGirlChildInSchool**

Every girl should have the opportunity to attend school every day! Many girls in Africa miss 3 –5 days of school each month because they cannot afford sanitary pads. Most girls eventually end up dropping out of school altogether.

With our project, Palesa Reusable Sanitary pads, we can provide a sustainable solution for up to 5 years, which is a girl's school career.

One mission = 5000€ = 300 GIRLS #KeepAGirlChildInSchool

We need your help to make this ISP a success.

**ACI ISP: KNITTING PROJECT**

Handcrafted clothing, bonnets and blankets for underprivileged children, provided by Agora Ladies worldwide.

In addition, Agora Club International continues to support the Service Projects of Ladies' Circle International in the „Side by Side“ spirit.

Thus, together with LCI, we have been engaging in the Service „Happy Heart“ for the period of 2017-2019.

## LCI ISP 2017-2019: HAPPY HEART

### HAPPY HEARTS

ISP 2017/2019

For the period 2017 - 2019, Ladies Circle International will support the 'Happy Hearts' project in Botswana. The project seeks to raise funds to build an interim home. The home will accommo-

date children undergoing treatment at Princess Marina Hospital in Gaborone and their caregivers. The home intends to cater for those patients that live far from the treatment centre. Ladies Circle Botswana has partnered with the Cancer Association of Botswana; an organization dedicated to supporting and caring for the sufferers and survivors of cancer and recognizes the lack of such a facility for children in the country.

**The mission** of Happy Hearts is to provide temporary accommodation for childhood cancer patients and their care givers from remote areas who have to undergo cancer treatment in Gaborone.

After its completion, the plan is that home will further provide a range of services to address patients' physical, psychological, social and educational needs.

#### Objectives:

- To offer a dignified home away from home accommodation for patients during their treatment period and avoid exposure to further side effects and risks.
- To provide an alternative place that will help ease the financial and emotional problems and relieve the stress of logistics, allowing caregivers to focus on giving moral support to their children.
- To provide an environment that will support and mitigate against psychosocial burdens for the patient and caregivers and equip them with better coping skills.

#### 2015 - 2017

- Ensures that 3 girls at **LittleBigHelp** Girls' Home receive a full day of meals (4 meals per day - breakfast, lunch, snack and dinner) / Pays for 10 large lunch meals at LittleBigHelp's Girls' Home
- Covers the expenses for 2 girls from the Girls' Home to go on a monthly outing and have fun at the cinema, zoo, museum, circus etc.
- Covers the monthly expenses of school equipment (books, pencils, workbooks) for all the girls in LittleBigHelp Girls' Home
- Ensures that all girls from LittleBigHelp Girls' Home are taken safely to and from school by bus for an entire month

- Ensures that 2 girls from Girls' Home get their weekly check-up by the doctor (weekly check-ups are necessary because of the background the girls come from - many have skin diseases, are underweight or have other health issues when they join Girls' Home)

### 2013 - 2015

**“Children of the dump”** was founded in 2004 to change the lives of hundreds of children, living on the dumps of Stung Meanchy, Cambodia. With the help of funding, the NGO will help the local “Center for Children’s Happiness” to provide these children with a home and decent meals, and offer them the chance to go to school and study. A new wing is planned in the CCH, aimed to provide supervised independent living, preparing the children to make their way back into society.

### 2011 - 2013

The ACI members voted to continue to support the ISP’s of LCI. The service project of 2011-2013 is **“Viva con Agua”**, an organization which aim it is to ensure a better access to clean water, particularly for people in very arid areas around the world. Water is one essential source of our life and the access to clean water is crucial for the survival of every human being.

### 2009 - 2011

Agora Club International contributed for the first time to the 2 yearly international service projects of our sister club Ladies’Circle International. A very valuable project to **“End Child prostitution, Child Pornography and Child Trafficking of Children for sexual Purposes”**.

The money for the financial support of Agora Club International Service Projects is derived from the proceeds of the tombola during the ACI Conferences, the sale of the International President’s pin, and from projects which are organized specifically for the ISP, by our full and associate member countries, countries in formation and local member clubs.

## COMMON INTERNATIONAL SERVICE PROJECTS

In the past ACI decided to support projects within the Round Table Family.

### 2018

When we saw that RT was appealing for funds to help the Kerala flood victims, the Board felt that it was a very good cause and decided to donate €1000 from our Emergency Fund which is generated from the sale of pins.

### 2016 - 2017

After the earthquake in Italy at **Aquarta**, Agora Club International decided to help the people who are needed through Italia Round Table Family.

### 2014 - 2016

Through the Round Table Family we have joined the **“All4Nepal”** campaign with a first time global commitment with the 6 organizations making a difference in the epicentric area in Nepal. You can still visit the website ALL4Nepal and make donations: [www.all4nepal.org](http://www.all4nepal.org)

### 2009 - 2010

Agora Club International contributed to the international service project of **“4 Clubs 1Vision”** (RTI, LCI, ACI and 41 Intl) in the **earthquake struck town of Onna in Italy**, where our 4 Clubs **“4Clubs-1Mission”** built a new Center for young people, after the terrible earthquake in the region of Abruzzo.

## FIVE CLUBS in the ROUND TABLE FAMILY

**Round Table International** - We believe in bringing about change and excellence in ourselves and our community. Our motto is Adopt, Adapt, Improve and we bring young men between 18-40 years of age together, to challenge, inspire and learn from each other. We share ideas openly with trust, and empower each individual to make a positive impact at home, work and in his community. We call it Tabling and we do this locally where we meet regularly. We plan and organize meetings and events for ourselves and others that focus on personal development, fun & fellowship and community service. Together we form an international network of bright young men. We are Round Table. One World, One Table.

**Ladies Circle International** - Ladies' Circle is open to all women between the ages of 18 and 45. *The motto of LCI is Friendship & Service*.

**Friendship** may be experienced, locally, nationally and internationally. It is a remarkable experience sharing a bond with ladies from different parts of the globe, different cultures, different upbringing

**Service** Every Circler endeavours to make a difference to those less fortunate than them by supporting community projects and raising funds for the needy, locally and nationally. Globally Circlers also support an International Service Project which runs for two years.

**AGORA Club International** is a club for women from the age of 42 years (Non Ex-Circlers), 45 years (Ex-Circlers), and older with different professions, hobbies and interests. The Motto is "Donner et Tolérer" which means "Service and Tolerance" in English. We are a platform where all Ex-Circlers (being members of AGORA and TANGENT) and other Non Ex-Circler friends from diverse horizons can meet.

**41 Club** is the more commonly used and shorter name for **The Association of Ex-Round Tablers' Clubs** a social networking organization for men aged over 40 who are also former members of Round Table. Thus, 41 Club forms part of the Round Table Family of clubs, together with Round Table, Ladies Circle, Agora and Tangent. 41 Club is an organization which further develops the friendship and comradeship which the members enjoyed when they were members of Round Table.

**Tangent Club International** is a club only for ex-circlers after 45 years old. Their Motto is "Let Friendship continue".
