HISTORY OF AGORA CLUB INTERNATIONAL

In 1987 a group of former members of Ladies' Circle created the first Agora club in Lille, France. In 1988 the French National Board was founded. In 1993 the first club in the Netherlands started, followed by Agora Club Belgium the year after. In June 1996, the first Annual International Council took place in Strasbourg, France.

In honour of the founding country, the French motto was adopted as the official international motto: **“Donner et Tolérer”**, which means “Service and Tolerance” in English.

The strength of Agora Club was the fact, that from the beginning it was a past-Circle service club, which was moreover also open to non-Past-Circle friends and women from diverse horizons. The fact that it offered an international platform to its members, thus ensuring continuation of friendships made in Ladies'Circle, proved to be very important to our members, too. In 2009 Agora Club opened up to Tangent Club, and welcomed Tangent Club Germany as an Agora member country in the same year.

Today **Agora Club International** has clubs in Austria, Belgium, Botswana, France, Germany, Iceland, Israel, Italy, Luxembourg Madagascar, Malta, Morocco, Norway, Romania, South Africa, Switzerland, The Netherlands, Nepal, UK, USA, Zambia, Zimbabwe , and Cyprus being chartered in 2021.

A pretty and colourful pin has been made from this logo. It costs 5€ p/p and can be ordered from ACI President Chris Helsen or from any other ACI Board member. Just give us a call or email, and we will send your order to you.

The surplus from the sales of this pin goes entirely our Emergency Fund.

ACI SERVICE PROJECT 2019-2021
#KeepAGirlChildInSchool

Every girl should have the opportunity to attend school every day! Many girls in Africa miss 3 –5 days of school each month because they cannot afford sanitary pads. Most girls eventually end up dropping out of school altogether.

With our project, Palesa Reusable Sanitary pads, we can provide a sustainable solution for up to 5 years, which is a girl's school career.

One mission = 5000€ = 300 GIRLS #KeepAGirlChildInSchool

We need your help to make this ISP a success.

ACI ISP: KNITTING PROJECT

Handcrafted clothing, bonnets and blankets for underprivileged children, provided by Agora Ladies worldwide.

In addition, Agora Club International continues to support the Service Projects of Ladies' Circle International in the „Side by Side“ spirit.

Thus, together with LCI, we have been engaging in the Service „Happy Heart“ for the period of 2017-2019.

FIVE CLUBS in the ROUND TABLE FAMILY

Round Table International - We believe in bringing about change and excellence in ourselves and our community. Our motto is Adopt, Adapt, Improve and we bring young men between 18-40 years of age together, to challenge, inspire and learn from each other. We share ideas openly with trust, and empower each individual to make a positive impact at home, work and in his community.

We call it Tabling and we do this locally where we meet regularly. We plan and organize meetings and events for ourselves and others that focus on personal development, fun & fellowship and community service. Together we form an international network of bright young men. We are Round Table. One World, One Table.

Ladies Circle International - Ladies' Circle is open to all women between the ages of 18 and 45. *The motto of LCI is Friendship & Service'.*

Friendship may be experienced, locally, nationally and internationally. It is a remarkable experience sharing a bond with ladies from different parts of the globe, different cultures, different upbringing

Service Every Circler endeavours to make a difference to those less fortunate than them by supporting community projects and raising funds for the needy, locally and nationally. Globally Circlers also support an International Service Project which runs for two years.

AGORA Club International is a club for women from the age of 42 years (Non Ex-Circlers), 45 years (Ex-Circlers), and older with different professions, hobbies and interests.

The Motto is "Donner et Tolérer" which means "Service and Tolerance" in English. We are a platform where all Ex-Circlers (being members of AGORA and TANGENT) and other Non Ex-Circler friends from diverse horizons can meet.

41 Club is the more commonly used and shorter name for **The Association of Ex-Round Tablers' Clubs** a social networking organization for men aged over 40 who are also former members of Round Table. Thus, 41 Club forms part of the Round Table Family of clubs, together with Round Table, Ladies Circle, Agora and Tangent. 41 Club is an organization which further develops the friendship and comradeship which the members enjoyed when they were members of Round Table.

Tangent Club International is a club only for ex-circlers after 45 years old. Their Motto is "Let Friendship continue".
